Explore Bankside's boisterous past, blooming present and boundless future. Discover your creative skills. Take the Thames Path from mediaeval London to 21st century Bankside led by expert drawers. Contribute to a giant model of its famous landmarks peopled by a cast of local heroes – from Will Shakespeare to Christopher Wren and John Harvard.

Join sketching, painting, animation and sculpture workshops with leading artists and performers. Surprise yourself by what you can discover and create in just one hour – or two days!

All activities are free and suitable for every age and ability
